As Vice-President, Pat Peppin has reviewed the treasurer’s report and bank statements and reports they are all in fiscal order.

Investment Company Presentation

Kara Blakeslee of Blakeslee & Blakeslee presented regarding her company and why we should select her firm to be our financial investment company. She provided website information and a brochure. She reviewed our records and felt we had a solid foundation, agreed with our one year in asset reserve policy which included an additional ten percent in reserve for emergencies. What we needed was an investment policy. She believes the funds we have in Vanguard should be diversified to provide more benefits long-term.

Kara reviewed what our options could be:
1. Continue as we are with our Treasurer and Fiscal Planning Committee making the investment decisions
2. Work with an investment professional
3. Work with Blakeslee & Blakeslee to manage our complete portfolio
4. Split our portfolio between WASFAA control and Blakeslee & Blakeslee

TO DO: The Fiscal Planning Committee will have to decide which approach to take and how conservative or aggressive to be in our investments. Important questions to consider are what we want now and what we want in the future.

Jacquie and David Tolman, her co-chair, have designated their duties and are looking forward to a successful SDB Summer Institute.

**Bylaws**

Steve Herndon reported that since the WASFAA 2006-07 Transition Meeting and the final 2005-06 Executive Council meeting, he has reviewed the minutes of both meetings to determine if any issues discussed or actions taken will have impact on the WASFAA bylaws. The treasurer has provided this year’s conference committee with a report of the budgets for 2005 and 2006 conferences, which will be helpful to develop our line-item budget.

The committee is exploring different entertainment options including ethnic music/dancers or a fashion show from a local proprietary college. The theme might reflect the Disneyland customer service motto “Exceeding Expectations” and a Disneyland trainer might be a major speaker. The WASFAA Conference 2011 is scheduled to be held in Hawaii and high costs were discussed again. The issue of rotation of the conferences through the 8 WASFAA states was discussed.
