Any meals while traveling to and from meetings and those not covered during the meeting will be reimbursed using the Travel Reimbursement Form. (There is a maximum allowed so refer to the form.)

Transportation

A Travel Response Form, (TRF), will be sent out in advance of the meeting to the EC to complete. It is important to complete the form and return it as soon as possible.

If you planned to attend but need to cancel, you must work with the Travel Chair and not the hotel directly, regarding canceling the hotel room. You should send an email to the President and the Travel Chair with the appropriate information as soon as you are aware you will be unable to attend.

Should you not be able to attend or need to cancel, it is highly encouraged that you send your president-elect or another representative from your state. The same situation applies to your replacement:
- Air and hotel is covered by WASFAA.
- The representative should work with the travel chair for air transportation needs.
- The representative has full voting rights as your state’s representative.

Ground transportation to and from the hotel paid out of pocket is reimbursable, unless prearranged for the EC. See WASFAA Travel Guidelines on the back of the Travel Reimbursement form, available online at https://www.wasfaa.org/docs/toc_onlineforms.html, for additional guidance.

Reimbursement Process

Following each Executive Council meeting, you should submit a claim for reimbursement of expenses that were not covered by other means (Treasurer paying for airfare in advance, group meals, etc.) within 30 days after travel is completed. The state presidents are sitting council members and do not require a signature on the form before submitting it to the Treasurer for reimbursement.
